

Contract: **Full-Time**

Web Designer

About Us

We are a thought-leading software enterprise company for a digitized world. Our core competency is our expert understanding of enterprise systems, data and processes in organizations, and building technology for transformative change. We develop software for privacy and regulatory compliance for content systems, and financial matter management.

Job Description

The Web Designer is expected to create amazing user experiences. The ideal candidate should have an eye for clean and artful web design. They should also have superior user interface design skills.

The successful candidate will be able to translate high-level requirements into interaction flows and artifacts. They will be able to transform them into beautiful, intuitive, and functional designs.

Job Responsibilities

- Execute all visual design stages from concept to final hand-off to engineering
- Conceptualize original website design ideas that bring simplicity and user friendliness to complex roadblocks
- Create wireframes, storyboards, user flows, process flows and site maps to communicate interaction and design ideas
- Present and defend designs and key deliverables to peers and executive level stakeholders
- Establish and promote design guidelines, best practices, and standards

Qualifications

- Proven work experience as a Web Designer
- Demonstrable graphic design skills with a strong portfolio
- Solid experience in creating wireframes, storyboards, user flows, process flows and site maps
- Proficiency in Photoshop, Illustrator or other visual design and wire-framing tools

- Proficiency in front-end development web programming languages such as HTML and CSS, jQuery, and JavaScript
- Experience with React or Angular framework is a plus
- Experience working in an Agile/Scrum development process
- Excellent visual design skills with sensitivity to user-system interaction
- Ability to solve problems creatively and effectively
- Up to date with the latest Web trends, techniques, and technologies

Benefits

- Competitive remuneration package
- Health insurance benefits
- Other benefits in line with the Kosovo Labor Law
- Opportunity to work in a fast-paced environment for an international company with offices in the US, UK, Kosovo, and India.
- Opportunity to collaborate with various cultures across locations and develop a vast array of skills
